

The Oklahoma Ambulance Association Presents The 2023 Spring Conference and Trade Show Tuesday May 16, 2023

Improving Oklahoma EMS by Enhancing
Cooperation Between Industry Providers

The Oklahoma Ambulance Association (OKAMA) is holding our 2023 Spring Conference and Tradeshow on Tuesday May 16th at the HistoryCenter in Oklahoma City. This conference is packed with nationally recognized speakers and topics that are critical to the improvement of our industry.

Maggie Adams, the President of EMS Financial Services, Inc., with 25 years' experience in the ambulance industry is a sought-after speaker who has presented at conferences across the country. Maggie will present dual sessions; providing practical solutions to problems faced by all ambulance providers. She will be speaking on *The EMS Struggle: Documentation Needs in the Real World* and *Soups to Nuts: Billing to Best Practices*.

Douglas R. Hooten EMS Consultant has successfully operated some of this county's most sophisticated and complex EMS systems. Nationally known as an industry leader and innovator in Mobile Integrated Healthcare (MIH), Doug had an opportunity to build an EMS System from the ground up and he will share that journey and the lessons

learned in the session *Building a Better EMS System—From Scratch*.

We know many Oklahoma EMS agencies have concerns about the new law requiring all providers to participate in the state's Health Information Exchange (HIE) otherwise known as OKSHINE (Oklahoma State Health Information Network and Exchange). **Frank Gresh EMS, CIO Board Member OKAMA and MyHealth**, Stephen Miller, State Coordinator for Health Information Exchange at the Oklahoma State Health Care Authority and David Kendrick, M.D., CEO of MyHealth Access Network will give you all the information and answers about what OKSHINE is, why it's important to be a part of it, and how you can go about getting connected in their session *OKSHINE – All you ever wanted to know, and then some*.

Angie McLain Johnson, Chief Revenue and Compliance Officer, Pafford Medical Services, AAA Director, will provide a comprehensive legislative and *Cost Reporting*

update, and we of course will have a full vendor area where our OKAMA vendor members will be onsite showing the best in products and services offered today. Don't miss this event! Share this information with your industry friends. Registration packets will be emailed and posted on our website soon, but **registration is NOW OPEN, at www.okama.org**.

Don't miss this session! Share this information with your industry friends and watch for additional information on Facebook and on our web site, www.okama.org. Please register early to guarantee a spot and lunch!! Participants can complete the enclosed form and scan/email to slathey@hcvems.com or register online at www.okama.org.

See you in May!!
